

Terry 'Moose' Millard Consultant

Terry "Moose" Millard helps organizations build and maintain high-performance, high-spirited internal cultures that increase productivity, give heart to service, contribute to profits, and enhance personal satisfaction. He is a nationally known speaker who uses his leadership experience as an entrepreneur, air force fighter pilot, and Southwest Airlines captain/supervisor to tell the stories that bring cultural leadership alive. "Moose" is the principal of Vista Consulting Group and a principal in his own 15 year adventure with cancer.
