

Bob Ellithorpe

Consultant

Bob is a Regional Manager of Human Resources for Owen-Illinois in their North American Glass Containers division with HR & labor relations responsibilities for the eastern US and Canada, and for the company's global engineering function. He also is the Manager of Workforce Planning for the division, with a focus on organizational design, development and training.

Bob has over 20 years of experience in human resource management, having joined OI in October, 2005 after 19 years with Libbey Glass Inc., most recently as the Director of Employee Relations & Organizational Development. Bob has worked closely with DeLaPorte & Associates, having been certified in numerous DLPA and Wilson Learning programs and has contributed to the design of several DLPA / Allagi products and programs.

Bob holds a Bachelor of Business Administration degree from the University of Toledo.
